United States District Judge

ATTACHMENT A

The Court finds that the guilty plea hearing to be held today cannot be further delayed without serious harm to the interests of justice, for the following reasons:

1. To ensure that the Court is not overwhelmed by cases and proceedings at the conclusion of this period of emergency. Currently, District Judges in New Jersey handle a substantially larger docket of cases than Judges in other Districts in the United States. New criminal cases continue to be assigned by the Court during the emergency. If the Court cannot resolve matters by guilty plea and sentencing, the resulting backlog will overwhelm the Court's ability to effectively function.
2. To permit the defendant to obtain a speedy resolution of his case through an admission of guilt, timely sentencing to afford appropriate punishment and rehabilitation, and the defendant making amends to any victims through an admission of responsibility and restitution. The defendant has asked for this case to be resolved today by guilty plea and for a subsequent timely sentencing.
3. To permit the Government to obtain a resolution of the case so that the Government, already operating in a restricted capacity due to the emergency, may appropriately focus its resources on other, emerging criminal matters. The Government has asked for this case to be resolved today by guilty plea and for a subsequent timely sentencing.
